Dear Hiring Manager,

This letter is to express my interest in the finance sector as a Finance Coop student at Thompson Rivers University. Through my education, I have developed a solid foundation in financial statement analysis, bank reconciliation, and essential accounting principles. Thus, built a strong passion in this field. I am open to learn and work in the areas of wealth management, risk management and financial analysis.

During my academic career and professional experiences, I have honed my skills in MS Office applications, particularly MS Excel, where I utilize advanced formulas and shortcuts efficiently. My ability to prioritize tasks and consistently meet deadlines has been demonstrated throughout my coursework and various projects. As an international student in Canada, I bring a unique perspective and a strong work ethic to any role I undertake.

I am enthusiastic about the opportunity to work with your organization and am confident that my skills and dedication will make me a valuable addition to your team. I look forward to the possibility of discussing how I can contribute to your finance department in more detail.

Thank you for the time and consideration. I am available for an interview at your convenience and can be reached at 2363382965 or via email at snegz0606@gmail.com.

Sincerely,

Sneha
